AN UNBREAKABLE THREAD TIES YOU TO YOUR DESTINY.

THIS THREAD TURNS YOUR IDEAS INTO A PULSE OF INTENSE EMOTIONS, DRIVING YOU TOWARD THE FINISH LINE—A JOURNEY BOUND BY PASSION. IT IS HERE THAT THE SOUL IS IGNITED AT EVERY TURN. THIS ISN'T JUST A DESIRE; IT'S THE MAGNETIC FIELD OF YOUR WILDEST VISION. AN ATTRACTION SO STRONG THAT YOU CAN'T HELP BUT EMBRACE IT. THIS IS THE POWER OF ATTRACTION, THE DRIVING FORCE BEHIND ANY SUCCESSFUL JOURNEY.

BEAUTY

Attraction is the catalyst for beauty, the prelude to admiration. Just like a symphony that captures all of your senses, leaving nothing but you and the resounding harmony. In it lies this craft: each detail, each sensation, everything is a testament to beauty in motion. For us, this is about you, the driver. Although your emotions can sometimes distract you, we strive to transform them into a driving force that keeps you moving forward.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

EXTERIOR STYLING CUPRA LEON

FRONT BUMPER REVOLUTION

Explore a reimagined front-end with redesigned air intakes, featuring a new bumper and grille with an integrated logo for a sleek, powerful statement.

A NEW PATH AHEAD

The 19" Hailstorm forged wheels complemented by performance brakes, delivering exceptional braking efficiency, and ensuring every journey is smoother, sharper, and more precise.

INTUITIVE LIGHT REVEALED

Illuminate your path with CUPRA integrated infinite light, enhancing your visibility with our organic 3D logo design and adaptive beams.

EXTERIOR STYLING CUPRA LEON SPORTSTOURER

BRING THE ROAD CLOSER

Embodies pure power fused with the latest tech. With its robust engines, autonomous drive features, and available CUPRA Matrix LED Lights, it assures a dynamic and sporty ride and a thrilling and memorable journey.

BEAUTY

SPORTY AND MORE

For those who demand a sporty performance. Experience thrilling enhancements with increased horsepower and extended electric range that ensure an exhilarating journey. Offering up to 1650 liters of boot space, this vehicle is designed for you to pack more and explore further.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

INTERIOR STYLING

12.9" TOUCH SCREEN: BIGGER SIZE, BEST EXPERIENCE

Our 12.9" touch screen system combines tactile feedback with illuminated commands for a vivid display. You can easily access the information you need in three panels.

BEAUTY

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

THE INTUITIVE CONSOLE

Newly redesigned console and dashboard with parametric design and advanced functions. A parametric moulding surface enhances the tactile and visual quality of the instrument panel.

AMBIENT ELEGANCE

The interior ambient lighting creates an atmosphere of sophistication, enveloping your dashboard, door panels, and interior spaces in adjustable colours for every mood. It offers soft, customizable illumination that transforms the cabin space.

POWER

They say there's a virtuous circle where a strong drive leads to a powerful destiny. But what is it about this powerful drive that seems so inviting? It's like the magnetic pull of masterful engineering—a force so captivating, one must not leave. Within lies the essence of driving: a desire to command the road with an energy so electrifying that there is no other choice but to start the car and press the accelerator.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

CUPRA LEON SPORTSTOURER

THE HIGHEST PERFORMING SPORTSTOURER

CUPRA's most powerful Sportstourer with Torque Splitter yet combines unrivaled power and agility with a sleek exterior design, featuring logo-incorporated rear lights and an expanded boot capacity.

POWER

AN UNRIVALED TORQUE SPLITTER

Through multi-disc clutches, the Torque Splitter distributes torque independently to each rear wheel, enhancing traction and handling. When engaged in "Drift" mode, the Torque Splitter maximizes rear axle slippage even with 4Drive all-wheel drive, ensuring dynamic driving.

EFFICIENCY AMPLIFIED

E-HYBRID: PICK YOUR POWER

Experience the CUPRA Leon e-HYBRID, offering complete freedom to switch between pure gasoline power and full electric drive.

FULL CHARGING EXPERIENCE

Experience convenience and freedom with CUPRA's charging solutions. With the CUPRA Charger Connect 2, you can power your CUPRA with a longer electric range up to 100 miles.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

INNOVATION

Innovation is challenging the status quo with cutting-edge technology. For us this is a declaration of independence from the ordinary, embracing change as a journey to excellence. This model is a testament to those who dare to be different, merging advanced tech with thrilling performance. Claim your place in the driver's seat and steer towards a future where every drive is an extraordinary experience.

CUPRA CONNECT

The pinnacle of integrated driving is CUPRA CONNECT, melding the 12.9" Navigation System's online capabilities to journey through life with real-time maps, entertainment, and voice commands, while enjoying the ability to lock, unlock, and monitor your vehicle from your phone.

MY CUPRA APP

With My CUPRA app, remote access to your vehicle is effortless, offering control and monitoring for a smarter driving lifestyle.

CUPRA CONNECT

Gain peace of mind with CUPRA CONNECT, ensuring you're always just a call away from assistance.

CUPRA CONNECT PLUS

Stay ahead with CUPRA CONNECT PLUS, providing traffic updates, parking or petrol aids and charging solutions for a truly connected drive.

TECHNOLOGY

CUPRA MATRIX LED VISION

The CUPRA Matrix LED lights not only improve safety and visibility, but also welcome you with a symbolic illumination each time you unlock your car. This makes every approach an occasion, and you the honored guest of your own vehicle.

IMMERSIVE BY SENNHEISER™

Surrender to the acoustic brilliance of Immersive by Sennheiser™, with a symphony of 11 speakers plus one subwoofer surrounding you in sensational soundscapes.

INTELLIGENT PARK ASSIST PRECISION

Intelligent Park Assist makes every parking manoeuvre a showcase of precision and ease.

SATELITES WHEEL ASSERTION

Command your CUPRA LEON with the CUPRA Steering Wheel with Satellites, blending relaxation with the thrill of choice between manual flair and automatic ease. Our satellite buttons allow you to access a full range of driving functions without lifting a hand from the wheel.

SAFETY

PREDICTIVE ACC

Advanced Predictive ACC in the CUPRA Leon forecasts the road ahead, adapting speed intuitively for curves, signs, and intersections. This provides you with a smooth and comfortable ride, making every journey safer and more enjoyable.

SIDE ASSIST & EXIT ASSIST

Rely on the vigilant Side Assist & Exit Warning for a safer lane transition and secure exits amid busy surrounds. A security layer like this adds an extra layer of peace of mind to your drive.

PRECRASH

In the CUPRA Leon, the Pre-crash system proactively protects you by tightening seat belts and closing windows after anticipating potential hazards.

TRAFFIC SIGN RECOGNITION

With the Traffic Sign Recognition, the CUPRA Leon enhances your driving intelligence, interpreting and projecting essential traffic information directly onto your dashboard and sending notifications for speed limits.

LIGHT ASSIST

Light Assist in the CUPRA Leon makes your nighttime drive less daunting and more delightful. As if you had a vigilant co-pilot, your path is illuminated. The system automatically adjusts the headlight beams to provide optimal visibility, ensuring a clear view of the road ahead.

UPGRADES

EDGE

The EDGE suite in the CUPRA Leon epitomizes modern driving elegance. Keyless advanced and an alarm system offer seamless access and security, while ambient lighting and comprehensive rear vision enhance your driving environment. Adding to the suite's convenience, the SPORTSTOURER features the Virtual Pedal, allowing you to open the boot hands-free without reaching for your keys.

INNOVATION

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

IMMERSIVE BY SENNHEISER™

Experience auditory bliss with Immersive by Sennheiser™, exclusive to the CUPRA Leon. This premium sound system envelops you in a rich tapestry of sound with its 11 speakers and a powerful subwoofer, creating a concert hall on wheels where every note and beat is a celebration of pure sound.

SKYLINE

The Skyline feature invites the outside in, with a panoramic sunroof that bathes the interior in natural light. At the touch of a button, it opens up to reveal the sky, transforming your cabin into a tranquil sanctuary where light and space converge.

INTELLIGENT DRIVE

CUPRA Leon stands at the pinnacle of automotive intelligence, featuring the most disruptive assistance systems, including Intelligent Park Assist, Navigation, and Pre-Crash technology. This suite of advanced safety tech, is powered by a multifunction camera, Adaptive Cruise Control, Lane Keeping, and a live dynamic road sign display.

PURE PERFORMANCE

Experience the radiant beauty of Pure Performance, where the CUPRA Matrix LED technology guides you with clarity and style.

EXTREME

Enjoy the thrill of the EXTREME upgrade with performance brakes plus the CUPRA Matrix LED headlights. This upgrade also features an exclusive interior design with dark chrome details, and CUP bucket seats. This is complemented by a dedicated interior in Enceladus Grey Matt. CUPRA's commitment to excellence is embodied in this meticulous combination of style and performance elements, including a side skirt and roof spoiler that enhances the vehicle's aesthetics and driving dynamics.

LEISURE

In the CUPRA Leon, leisure is redefined as an exquisite journey, elevating beyond mere relaxation to an art form where every moment is an exploration of pure joy. This is a space where passion fuels every journey, transforming routine trips into thrilling escapades.

Join us in this pursuit, where every drive invites you to immerse yourself in the moment, leaving lasting memories on the open road.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

ACCESSORIES

SNOW & WINTER READY: SKI RACK XTENDER

A Sliding mechanism makes loading quicker, easier and safer. It can carry 5 pairs of skis or 2 snowboards. Soft rubber pads protect the skis during transport.

BREAKING WAVES: THE SURF RACK EXPERIENCE

Are you up for the challenge? The CUPRA Surf Rack is your trusted buddy for surfing adventures. Easily fit up to two surfboards, no matter their shape or size. Let your CUPRA lead the way to unexplored waters.

ELEVATED ELEGANCE: ROOF BARS

The CUPRA Leon's roof bars blend functionality with finesse, providing a robust platform for adventure while accentuating its sleek silhouette.

DEFINED TRANSPORT: TOWING BIKE RACK

Designed to securely carry up to two bikes, this rack can handle a total weight of up to 60 kg.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

CUPRA CARE: INTEGRATED COVERAGE FOR YOUR WELL-BEING

Taking care for your CUPRA to the next level with a plan designed to suit a car as unique as yours. It offers cost advantage since different products are combined in a single package and exclusive services developed specifically for the CUPRA Customer.

WARRANTY EXTENSION

Extend your 2-year CUPRA manufacturer's warranty for an additional 1, 2, or 3 years, or up to 150,000 km, whichever comes first. For newly purchased cars, this extended warranty is already included, ensuring your satisfaction from the start.

SERVICE AND MAINTENANCE PACKAGES

Cover all essential maintenance and routine inspections recommended by the manufacturer with this plan. Common services include oil changes and the timely replacement of filters, depending on your CUPRA Leon's age and mileage.

CUPRA MOBILITY SERVICES

Whether your car needs a tow or its battery runs out, rely on our enduring 24/7 roadside assistance, valid for 10 years. Available throughout the EU and neighboring nations, with the added bonus of 2 free years upon your CUPRA purchase.

RELAX INTO THE IMPULSE

CUPRA Insurance, custom-designed for your vehicle, ensures year-round protection. With 24-hour support and repairs in official workshops using genuine parts, you're quickly back on track. Plus, in case of vandalism or theft, a courtesy car is guaranteed.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

ENVIRONMENTAL INFORMATION

LIGHTING

Headlamps and rear lamps are 100% LED, increasing life service by up to 10 times. For headlamps, power consumption is significantly reduced at least 30%, and the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

RECYCLED MATERIALS

Seat bucket (no leather) configuration: Its seat central areas contain at least 73% of recycled textile.

Seat cupbucket configuration: Its seat central areas contain at least 71% of recycled textile.

ENGINES

Diesel: 2.0l Diesel engines allow the use of R100 fuel. R100 is made from 100% renewable raw material (Hydrotreated Vegetable Oil, HVO), achieving a reduction of up to 90% in CO₂ emissions during its production, compared to a conventional fuel.

e-HYBRID: The all-electric motor in the e-HYBRID engine enables zero tailpipe emission driving in electric mode.

MANUFACTURING PROCESS

Between 2010 and 2023, we reduced the CO₂ emissions per manufactured car by 69.3%, while also cutting the energy demand per car by 33.3%. Additionally, we achieved a 45.1% saving in water consumption and a 78.9% reduction in waste generated per car.

In our path towards a circular economy, we have established a process for dismantling discarded parts and components. This process breaks down complex items into single-material parts, enabling proper segregation and giving these materials a second life. As a result, what was once considered non-recoverable waste is now transformed into revalorized, reusable materials.

ZERO EMISSION (E-HYBRID)

An indicator that displays the distance driven with zero tailpipe emissions in e-mode.

E-RANGE MONITOR (E-HYBRID)

Informs the driver of the increase in range of electric-only engine when combustion -only is off.

SEAT S.A.'s environmental mission.
Protect Climate. Conserve Resources. Preserve Ecosystems. Ensure Environmental Compliance.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

TECHNICALS

In the realm of CUPRA Leon, technical prowess is more than mere numbers; it's a symphony of engineering achievements. Here, every detail sings of dedication to excellence, marrying power with sustainability, efficiency with passion. This is where state-of-the-art transmission systems and optimized fuel consumption converge, creating a driving experience that connects you with the heart of the road.

IMMERSIVE BY Sennheiser™ - Dinamica Ambient, Metallized Ambient³⁷:	▽	▽
Amplif. 11 speakers + 1 subwoofer		
INTELLIGENT DRIVE for MQ engines		
Safe & Driving Pack L in combination with Navi System +³⁸:		
- With dynamic road sign display		
- Adaptive cruise control (with "follow-to-stop")		
- Attention and drowsiness Assist		
- Side assist (lane change assist) / Exit Assist (parking exist assist) / Exit	▽	
- Warning (vehicle exit warning)		
- High-beam control		
- With multifunction camera		
Precrash Front & Rear		
Speed limiter with anticipated regulation		
Navigation system without media Internet package for countries with cartography		

³⁷ Requires: Only for Leon engines Edge Pack & Emergency spare wheel 18" except if e-Hybrid engine. Not compatible with EXTREME pack.

³⁸ Requires: Edge Pack for Leon Engines. Requires CUPRA Connect plus 3 years or CUPRA Connect plus 5 years. if EL5 + 7UY. Not compatible with Safe & Driving Pack M as an option. ACC is predictive when combined with Traffic sign recognition.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.
